## JUNE HAPPENINGS

WOW!! The year has gone by so quickly. In ECDP we have made many new friends and learned many new things. We have become more independent and are able to complete almost everything on our own. The themes we have learned about are space, bears, dinosaurs, farms, nursery rhymes, community helpers, and the sea. We have worked on our fine motor skills through coloring and cutting. We have improved our numeracy and literacy skills. We have all worked hard in the gym and outside to develop our gross motor skills. We have had a visit from the veterinarian, soon we will have a visit from dental health. We went on a field trip to the firehall. This month we will be going swimming at the YMCA. We have had red wiggler worms in our class all year, feeding them apple cores and banana peels. Right now we are waiting for our butterflies to emerge from their chrysalis.

## MULTICULTURALISM AND CITIZENSHIP

At the school we are celebrating multiculturalism from **June 2-5th**. Each class has chosen a country to study. Through their research, they will have information to share with the rest of the school. On Thursday, June 5th all the students will rotate through the classrooms and learn about the various cultures.

**TRAVEL AROUND THE WORLD** Parents and children are welcome to come and visit the classrooms on June 5th from 5:30 –6:30 pm .

On June 12th Westview will be hosting The Canadian Citizenship ceremonies at 11:00 am and 2:00 pm. The public is welcome to observe this ceremony. It will be wonderful to see all these people becoming a Canadian Citizen.
