

WESTVIEW WHISPER

WESTVIEW PUBLIC SCHOOL HOME OF THE WARRIORS

SKI DAY BY MADISON WALSH & ANNELIESE IVERSON

Safety, the safety at the ski hill they make sure your helmet fits, your skis fit, and boots fit. If you don't feel comfortable going down certain hills you can go down the bunny rabbit, or hamster hill so everybody feels safe. In your free time you can go to the cafeteria. In the cafeteria they have food for dinner and dessert. When it is your first time down the hill instructors will go with you. You can go as fast as you want. There are different levels of hills and skills. Level N and 1 is bunny rabbit, and hamster level. Level 2 Clearwater, and level 3 is black diamond. There are more hills too, but only level 3 can ride them. It's really fun it also gives you exercise for your body.

It was pretty cold, and a little dark, but we had so much fun skiing in December!

BUS LOOP REMINDER

A reminder that the driveway in the front of the school is our bus loop. There is ample parking on street, and in our staff parking lot for parents dropping off children. We also have a drop off zone in our staff parking lot. Please obey all no parking signs, and leave our bus loop clear and safe for our bus students.

WARMER DAYS AHEAD

As the days begin to warm up please note that often it may be too cold to go outdoors in the morning but will warm up for outdoor recesses through the day. Please send ski pants, hats, mitts, and other warm clothing so our kids can bundle up and get the fresh air, and fun play time they desperately need during the day!

LIFE IN 4L BY JAYDEN MORRIS

In the first day of 4L I didn't like writing at all. I did not have writing skills. I also wasn't healthy and didn't care about earth. I now know my times tables, and division problems. Ms. Pottie, Ms. Neary, and Ms. Tebay all told us a lot. Ms. Pottie is our math teacher, and Ms. Neary is our French teacher/ Waste in our world, and Ms. Tebay she is our writing teacher. All our

teachers are kind, funny, and fun! We also do crafts like flowers, faces, buildings, and knitting with Mrs. Linn. Later in the year we will have a science fair, grow plants, and write our own books! On outdoor recesses we make forts. On indoor recesses we play board games and walk. At lunch we watch movies and eat snacks. Each kid has their own

responsibility. We also like to play hour of code, and mathletics. We have a class blog www.kidblog.org/4L201314, and a class twitter account @4Lwarriors. We love to be warriors and I <3 4L!
