Treasurer's Report

Playground: \$19,723.3. Casino: \$27,481.09 Regular: \$20,730.16

Requests for Funding

Garette obtained a quote for the sign at a cost of \$6,000, but installation costs would probably be another \$10,000. Before the budget cuts were announced Maintenance had said that they would do the installation but given the present situation and the high cost of paying outside contractors Garette suggests we leave this item for now.

Garette requested the sum of \$975 for Sun Ergos to visit the school again in Mid April. This ties in with curriculum and Aboriginal Awareness Week. Motion: Jodie, 2nd Jenn, motion passed.

Grade 5 request funds of \$660 for students to visit Heritage Park, this will cover bussing and \$5 per student. Motion: Kathie, 2nd Trish, motion passed.

Jodie Paul requested \$500 for Kindergarten for puzzles, sand table, fine motor skills items. Motion: Kim, 2nd Kathie, motion passed.
