Effective School Councils

Please have a discussion at your school council meeting and provide feedback by April 30, 2017. Feedback will be collected and compiled. Follow up on the compiled information will be held at the Joint Networks Committee Meeting on Monday, May 8, 2017.

1. What is an effective School Council?
2. What makes our School Council effective?
3. Is there anything we'd like to do differently?
