- Joint Networks Committee Meeting Tuesday, April 5th, 2022 Meeting at 6:30 p.m.

Old Business:

- Alberta School Council Engagement Grant
 - Thank you to Cindy and Melissa for getting together. They have some ideas: parent resources and workshops on important topics through SOS (small fee) or AHS on anxiety (free)
 - Programs to support indigenous families
 - Mental health and well-being (talk to counsellor to see if any issues are trending that there could be a session on)
 - Literacy; program for parents helping children at home
 - Jeff says we can put on a parent program, but if it's just for parents not many attend in the past. If it is something with kids more parents will attend.
 - After March 1 there should be no restrictions for in-person sessions
 - Idea to do in person session, record, and show recording in the evening (two sessions so that all parents can attend)

- Melissa and Cindy to make a plan!

New Business:

- ASCA Conference April 22, 23 (online event)
 - Events Schedule at a glance
- If anyone is interested in going please let us know; District usually pays for one attendee
- Discussion of province wide issues, how we can improve our council, and learn a lot of new things
- AGM (April 24) online event
- Principles Message
 - Volunteers in the school?
- We've always had tons of volunteers at the school but the last two years we haven't been able to have volunteers.
- Coming to school for assembly etc – not a volunteer so no criminal record check required. Anything for working with kids, you will need to follow policy and get criminal record check etc
- Areas we're looking for assistance in: field trips, etc. Ex. March 17 ski trip
